This Week

This week we will hear from Lori O'Maille. Lori will brief us on the Crisis and Aid for Littles and Moms (CALM) House. Their goal is to break the generational bonds of poverty for single moms and their children in Northwest Florida. Their vision is to rehab a home in Niceville for single moms and their children living in a crisis. Dave Wolcott is Lori's sponsor.

Last Week

Last week we heard from Peter and Christopher Loffler. They spoke to us about their recent trip to India where they participated in India's National Immunization Days. They gave a brief history of Polio to include the thought that "India was impossible to cure." There were over 200,000 yearly cases of polio in 1985 - now the last case of polio in India was reported Jan 13, 2011! They showed a slide show of them administering polio vaccine. They also emphasized how the India Government is "all in" with the eradication of polio. Rotary International's worldwide-huge-positive effect on polio eradication is unfathomable! Henry Snider introduced the Lofflers.

Rotary's Four Way Test

Of the things we think, say, or do,  
Is it the **TRUTH**?  
Is it **FAIR** to all concerned?  
Will it build **GOOD WILL** and **BETTER FRIENDSHIPS**?  
Will it be **BENEFICIAL** to all concerned?
