

November 15, 2017

This morning we will hear from Dr. Mauri Lunderman. Dr Lunderman's topic will be robotic surgery. He will provide us some of the "ins and outs" of this type of surgery. We look forward to hearing from him about this very interesting topic. **Bob Hoffman (Dave Swanick)** will introduce Dr. Lunderman.

Last Week

We heard from Marion Taylor. Marion is one of the Co-Directors of Okaloosa County's Distinguished Young Women (DYW) Program. She gave the club a rundown of what the previous winners are currently doing. Two of the ladies won at the Florida State level. Most of them are in college with the goal of going to medical school. One was working as a Financial Analyst for NASA. She addressed the teaching high school juniors interview techniques, public speaking, nutrition, fitness, etc. To date, Okaloosa DYW has given \$66,000 in scholarship. **Tieah Kirk** introduced Marion.

Rotary's Four Way Test

Of the things we think, say, or do,
 Is it the **TRUTH**?
 Is it **FAIR** to all concerned?
 Will it build **GOOD WILL** and **BETTER FRIENDSHIPS**?
 Will it be **BENEFICIAL** to all concerned?
